# Powerful Tools FOR Caregivers

This FREE series of six classes is designed to empower family caregivers of older adults to take better care of themselves. The tools learned from **Powerful Tools for Caregivers** benefit caregivers by developing a wealth of self-care strategies to better handle the unique challenges faced by family caregivers.

The evidence-based curriculum of **Powerful Tools for Caregivers** was developed by Dr. Kate Lorig and her colleagues at Stanford University and has benefited more than 80,000 caregivers nation-wide.

#### Participants Will Learn To:

- Identify and reduce personal stress
- Communicate feelings, needs, and concerns
- Take care of you
- Learn from emotions
- Communicate more effectively during challenging situations
- Master caregiving decisions
